Strengths

We have identified the following key areas as strengths of the school (identified by 100% agree / strongly agree statements), -

- My child feels safe at this school
- **Only answer this if your child has SEND:** My child has SEND and the school gives them the support they need to succeed
- The school lets me know how my child is doing

Areas we need to develop

These are the areas, which have not scored as highly (identified by some parents selecting disagree / strongly disagree). This is our response to those concerns, highlighting what we already do to address each area and, where appropriate, what we will do in the future.

The school makes sure its pupils are well behaved

All staff have high expectations for the behaviour of our children. Class Dojos are used as rewards, pupils are keen to receive Dojos and so follow expectations so that they can be recognised. Staff deal with any behaviour that does not meet our expectations by talking to the children, explaining our expectations, issuing sanctions and, where appropriate, speaking to parents.

My child has been bullied and the school dealt with the bullying quickly and effectively

As a school we take any incidents of unkindness or bullying seriously. If you are not satisfied with the way in which we have dealt with an incident please speak to us.

When I have raised concerns with the school they have been dealt with properly.

If you are not happy with the way in which we have dealt with a concern please speak to me.

The staff and I would like to thank you all for your continuing support, particularly during these difficult times.

Many thanks
