A Message from Mrs Denham

Our annual Federation trip to Saunton Sands is next Wednesday 17th July. We are all looking forward to this lovely day and we will be leaving school at 9.30am and return by 3.00pm. The children will be working in their classes engaging in many sand engineering projects, (please provide named buckets and spades) and beach games.

Both teaching and support staff will be accompanying the children to Saunton. On the day please ensure that your child is appropriately dressed for the weather including a hat, raincoat and warm jumper. Please provide your child with sun screen. Your child will also need a packed lunch with plenty to drink, in re-sealable plastic bottles.

We still need many permission slips to give authority for your child to attend. Please if you have not already done so, return the permission slip and your donation to the school office on Monday. Alternatively, you may pay and authorise on Parent Pay. Any queries regarding this please see Heather Lake.

Norse who supply our catering service have advised us that the school kitchen have to record those children who have allergies/food intolerance. A requirement is that we have to have in writing from parents any food that your child is unable to have. Can you please, if this applies to your child, notify us next week.

Today we received a kitchen inspection from the Environmental Health Department. Congratulations Mrs Tapp who has scored 5 the highest food hygiene rating.
