Week 2 at Stedham!

This week has been another busy week at Stedham Primary School. We have been amazed at the children's commitment to their learning and have enjoyed learning more about them.

Our EYFS have had their second week in school and have settled in amazingly. Mr Noble and Mrs Ford, have been very impressed by their ability to think creatively and how they have approached creating friendships with each other. We are very much looking forward to how they settle next week.

In Foxes class the children have continued to show that they are taking their new responsibilities seriously. They have also been supporting the younger children on the playground, and it is wonderful to see them playing so well with each other.

There has also been a lot of maths work going on this week, with children learning about place value and composition of number.

We wanted to say a massive thank you for all of your support around the recent Covid arrangements and for keeping vigilant regarding symptoms.

The hub has been re-established as a teaching room for next week, when Mrs Tickner, will be supporting the year 2 children in the morning. In the afternoons it will be used for interventions.

Music is still available at the school, so if your child is interested in guitar or drumming lessons, please let us the office know

We look forward to seeing what they can achieve in the next few weeks.

All the best,

Laura Webb and Sarah Palmer

Massive thank you to Barry, for taking the time to cut back the walking bus parking with his tractor!!

Dates for your diary

21/09/2021 15:30-16:45	Meet the teacher
21/09/2021	Music lessons start for year 1/2

27/11/2021	Christmas Fair

Child voice!
What is your favourite subject?

"I really like maths; my whole family is really sporty, but I find maths really easy."

FOSS

Who are we?

FOSS are the Friends of Stedham School, who do a wonderful job fundraising for new equipment, spaces and resources for the children.

This year they are fundraising to improve the school playground, so the children can continue to enjoy the outdoor space. Their main fundraising projects are:

- New benches,
- New picnic tables
- Replacing the playground markings.

Over the next few weeks we will be adding more events to the diary, but to start off with we are very excited to announce the 'Halloween party.'

Task force- 2nd October

The school task force is an excellent opportunity to meet new parents and help the school to do some of the jobs that need doing.

At the last task force, parents, governors and staff worked hard to weed beds, paint furniture and tidy up the school grounds.

There is also the added bonus of tea and cake!

If you are interested in supporting this event, please let us know.

Why not follow us on Twitter? @SchoolStedham

Thursday, 16th September was National TA day! We celebrated with cards and crowns.
