Dear Parents

I hope you have all had a lovely Christmas break, as you can imagine the children have all returned bubbling with enthusiasm and excitement about the various gadgets and gizmos they have received which has gone some way to influence their choice of topic...Toys.

Our role play area will become a toy shop equipped with a workshop where the children will be using various materials in order to create toys to order.

We will begin our topic looking at a variety of different toys and exploring stories which indulge in the fantasy of toys coming to life. We will discover how different toys work, what materials are used to make them and where they come from.

Our topic will cover looking at the differences between old and new toys and we will then finalise our toy topic by making and designing our own toys and finish with the organisation of a Teddy Bears picnic. For this we need your help. If you have any boxes of different shapes and sizes for the children to construct their own toys throughout the six weeks, it would be really helpful and much appreciated!

We will continue to have our open shared reading session on a Wednesday morning and show and tell on a Thursday afternoon. As always, our topic is directed and guided by the interest of the children so anything your child would like to bring in and share, related to the topic, is always appreciated but please don't send in anything too valuable or beloved, just in case!

Yours sincerely

Miss Fenwick
