When a Nursery place is offered, the following conditions will apply:

There is no statutory right to a nursery place. If places are oversubscribed, the school will apply its own admissions criteria to determine which children to admit.

If a child cannot be offered a place, there is no right of appeal against that decision.

A child will complete the Nursery provision and remain in the nursery class until he/ she is eligible to transfer to full-time provision in a First School. (This requirement may be waived if, for example, parents move house and it is no longer reasonable for a child to continue to attend this nursery class.)

The time for transfer from a Nursery to a Primary School Reception Class is at the beginning of the Autumn Term if the child turns four by 31st August. In exceptional circumstances, transfer to Reception may be delayed to the beginning of Spring Term or the term the child turns five – with agreement of Headteacher and Chair of Governors.

Once a child is admitted to nursery class/ school, regular attendance is expected.
