

Primary School Sports Premium 2020-21 Review

This document details the expenditure of the Primary School Sports Premium for 2020-21 and the impact that the funds had on the following targets with the focuses below:

- Enhancing the PE provision for children
- Setting a new standard in children's activity levels
- Meeting the inclusion requirements and the value for money criteria which will be set by Ofsted

Our main focuses for the year were:

1. to continue to deliver and enhance weekly beach school sessions accessed by the whole school where all children walk the 3 miles to and from the beach; learn about the environment and our impact on it, gain a sense of wellbeing from being in the outdoors; gain an understanding about the importance of being physically active, regardless of whether one is playing sport; use and enjoy their local environment.
2. support inter-school sporting activities, both during swimming, and by taking part in competitions as part of Alnwick Small Schools.
3. gain Primary School Games Mark
4. continue to offer a range of sports, signposted through local clubs and facilities, to encourage greater participation beyond school.

Grant: £16217

Activity/Resource	Action/Delivery Process	Cost	Impact
Beach School additional staff members	Contribution to 0.22 class teacher to lead and manage Beach School delivery; cost of 6 hrs HLTA to deliver Beach School.	£12000	Although for part of the year Beach school sessions were unable to continue, where they did they could be split into smaller groups and ratios maintained to allow work to continue.
