

How to join Nine Acres Primary School!

We are a big team here at Nine Acres and we encourage people to come and join us! If you want to be part of the team, here is what you need to do!

Contact our school office (01983 522984) and ask our reception team if there are any spaces within your child's year group. If there are spaces, ask them to arrange a tour of the school with one of our senior leaders, where you can see Nine Acres in action!

Once you know if there is space available, contact the admissions team at the Isle of Wight council (01983 821000) and ask them to grant a place at Nine Acres for your child.

After your tour of the school, if you would still like your child to attend Nine Acres, the office staff will provide you with an information pack with everything you need to know to start your child's journey! This will include: a prospectus, information about uniform, term dates, permission sheets for photos and school trips, parking permit, diet and allergy form and a menu.

Additionally, you will also be provided with our most current newsletter, a curriculum leaflet, an after school club form and information about our cashless payment system.

You will then need to arrange with us a start date for your child.

Once all of this is completed, you can join our team!
