

Dear Parents and Carers,

We hope you have had a wonderful and relaxing half term break. We look forward to an exciting new term with lots of engaging topics.

Welcome
**BACK TO
SCHOOL**

P.E will take place on Monday's and Friday's, Please ensure your child has a named P.E. kit with them everyday just in case we have some extra exercise!

Homework

Homework is set on Friday and collected on Wednesday. It will alternate weekly between Maths and English.

Times tables

Please continue to practise times tables with your child. The more children practice, the easier they become, so please continue to practice the 2, 3, 4, 5, 6, 8 and 10 times tables. We will also be learning 7, 9 and 11 times tables. Lets get those badges!

Dates for your Diary

Monday 4th and Wednesday 6th March 2019 - Parents' Evenings.

Week beginning 11th March 2019 - Science Week.

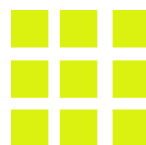

Friday 8th March 2019 - Year 1 Cake Sale.

Friday 5th April 2019 - Last day of term.

Tuesday 2nd April 2019 - Open Maths Morning.

Tuesday 30th April 2019 - Marwell Zoo Trip.

Thank you,
The Year 1 Team.

'Striving for Excellence'

Year 1 - Spring Term 2019 - Space

Mathematics

We want to help you stay on time!

We will be reading clocks to the hour and half

past. Hopefully this will help us be on time for school! We will also be investigating money, identifying coins and notes and recognising their worth. We would love to practice our new skills by helping you at the shops! Another skill we will be mastering is dividing and sharing, again something that will be useful when out shopping!

English

This half term we will be transported into outer space with 3 exciting books 'The Man on the Moon', 'Beegu' and 'Aliens Love Underpants'. We will be fully fledged Astronauts with a training day! What does it really take to become an Astronaut? We will find out! Our writing will be based around space, with us making predictions, a fact file, a letter and lastly writing and performing a news report.

Science

How does your garden grow? We will continue to look at plants and will investigate how our gardens and field start to change as the weather warms from Winter to Spring, using new clues around us to identify even more plants! Look out for the plants that change colour!

Religious Education

RE this term will include looking at the Easter story with the concept of welcoming.

Other Curriculum

Areas

PSHE – Following on from caring for ourselves, this term we will be looking at how to care for others and keep each other safe.

Computing – We will be trying to find interesting facts to help us with our work by using search engines, such as Google.
