Sports News!

This week in PE

In all years groups this week, we have started a football and cross country competition, with the exception of Year 4 who had a dodgeball competition due to the weather! All children have tried their best to improve their fitness this term and it really has shown during the cross country events. In football it was great to see the children cheering each other on and enjoying taking part. We will complete these competitions next week in PE, with the results and pictures posted in next weeks newsletter. A huge well done to everyone who has taken part!
