

There are rewards for great attendance!

Weekly attendance award for the class with the best attendance. This can be a special sports lesson or IPADs.

Certificate at the end of the term for 100%

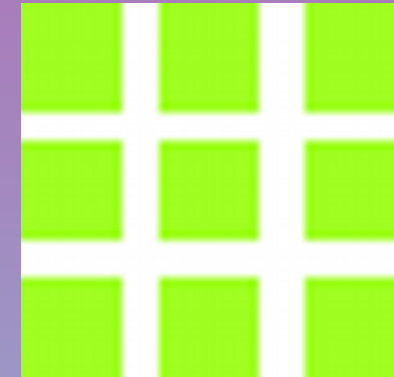

Did you know?

Minutes late per day add up! If you are late lots of times, this can add up to missing days of learning!

What is Your Attendance?

Nine Acres Primary School

Attendance Policy

Striving for Excellence

Why do we need to come to school?

- **It's the law!**
- To learn new things
- Being part of a group helps us to get on well with others and make friends
- Trips and visits help us to learn about the big wide world outside of school
- Taking part in clubs and group activities is fun and helps us to play together and get better at what we do.
- Being at school every day improves your chances of getting a job or going to college and university when you get older.

What is good attendance?

We think 97 % attendance is what everyone should aim for.

Being on time everyday counts towards your attendance. You should be at school from 8.45am ready to start learning!

You should always try to come to school unless you are **REALLY ILL.**

This means being sick, using the toilet lots of times or going to the hospital. If you haven't done any of these things, then you are well enough for school!

What happens if you don't come to school?

You do not learn as well and will get behind with your learning

Your parents could get in trouble for not sending you to school

You might get bored at home and develop bad habits and become lazy!

You don't get to make as many friends.

You miss out on special days, celebrations, educational visits, school clubs and team events.
