

Key Skills – Art and Design

By the end of:

Y2 All children should be able to....

Mix primary colours carefully to make secondary colours

Choose appropriate equipment and technique to complete a task (eg use scissors for collage work, select thin brush for detailed work)

Select appropriate colours to record observations (eg use correct colour for eyes/hair)

Y6 All children should be able to...

Use shade, tone etc to create desired effects

Design/make artistic pieces using a wide range of tools and techniques

Talk about the work of others explaining why they like/dislike, why the artist has chosen a particular style/technique etc or what feeling/mood it evokes.
