FAN Club Fundraising

FAN Club are delighted to be able to provide funds to the school that allow children to participate in additional fun activities that cannot be paid for with the school budget. Recently this has included transport for the school trip (£1200), the pantomime (£900) and individual class funds (£700).

Mrs Chappell would also like staff to receive further training on outdoor learning, which would be an enriching addition to the school curriculum that all the children could benefit from. FAN Club is delighted to fund this if we can and are hopeful that with your continued support we'll be able to provide the £500 that it will cost.

We greatly appreciate the way fundraising events are attended. The next event is the Fashion Show on Wed 22nd May at 7pm, a glass of wine and raffle ticket are included in the price. Tickets are available to buy in the playground at 3pm under the FAN Club sign.
