Sports Day

Following the Government's recent announcement, we have had to carefully consider our plans for Sports Day. We have decided that as long as we put in place strict protective measures, we will be able to go ahead with our Sports Days. Details of these measures are below and MUST be adhered to if we are to keep children, staff, parents and the community safe. If the protective measures are not followed, this will put in jeopardy the opportunity for parents to attend.

As previously communicated, Sports Day will run differently to usual. Each class will take part separately so that 'bubbles' do not mix. All children can come to school in their PE Kit for the day, and should bring a bottle of water, sunhat and sun cream.

Wednesday 14th July

Apple: 9.15 – 10.15

Oak: 11.00 – 12.00

Willow: 2.00 – 3.00

Thursday 15th July

Beech: 9.15 – 10.15

Chestnut: 2.00 – 3.00

Protective Measures:

- Equipment and seating will be cleaned between each bubble.
- Only 1 adult per family to attend
- Seating will be socially distanced and must not be moved
- Spectators and children in classes cannot mix
- Photography is permitted, but you must not post images that include children other than your own on any social media platforms, for safeguarding reasons.

Fundraising

The Gin Tasting evening on Friday was a huge success, raising around **£1200** for school fund. Many thanks to Ben and Vicky Bowers for their time and generosity. Thanks too to all those who took part!

We have also been successful in gaining a grant for **£1000** from the Locality Budget. This bid was granted to enable us to begin to set up a 'Thrive' area in school to support the mental health and wellbeing of our children.
