## ECO Committee

Alison Harrison, one of our parent governors, is setting up an eco-committee in school, with the aim of raising climate issues amongst our children and gaining the gold eco schools award (we have already achieved silver!).

During class assemblies today, the children watched a video with Alison explaining the committee and asking children to apply to join. The intention is to engage children in environmental issues locally and globally, developing skills and knowledge around protecting the environment and working on things we can do to have a positive impact on our planet.

To apply to be on the committee, children could make a poster, video, leaflet, story, picture or presentation titled:

**“What climate change means to me and what can we do about it?”**

Applications in electronic form can be put on Google Classroom or brought to school on Tuesday 2<sup>nd</sup> November.

We are looking forward to seeing all your ideas. Once the committee is set up, they will meet regularly to share ideas and make our school a more eco friendly place!

## Upcoming Events...

- School reopens to pupils

### Wed 3<sup>rd</sup> Nov

## **FAN Club**

Unfortunately, there was not enough people at the AGM held over Zoom on Tuesday 19<sup>th</sup> October to be able to elect / re-elect the committee. This means that currently FAN Club cannot operate. As you know, FAN Club is an essential part of our school, organising events that not only raise much needed funds for school, but are fun for both children and adults. Recent events (pre COVID) have included Summer and Xmas Fairs, Bingo, Fashion Shows, Mothers and Fathers Day Shop, to name just a few.

It would be a huge shame if the FAN Club has to fold and would really impact negatively on the funds we raise to buy both essential and 'extra' items for school. We will be holding another AGM on

**WEDNESDAY 10<sup>th</sup> NOVEMBER**

**8pm on Zoom**

**(Zoom details will follow)**

Please come along and support us. We need you!

## **And finally....**

Have a great half term – school reopens on Tuesday 2<sup>nd</sup> November.
