## Stationery Donations

Once again, we have been overwhelmed by your generosity! We have received a phenomenal amount of stationery which will go a long way to supplying each class with many of the resources they need.

## Next Year

We will be saying 'farewell' to Mr Sawyer at the end of this term and welcoming Miss Nuza, our new Yr5/6 teacher in September.

Unfortunately, due to ongoing protective COVID measures and further advice from Health and Safety, we will be unable to undertake our usual 'in school' transition to new classes. Children's new teachers for next year will, however, be visiting the children in their own classroom before the end of term.

For current Yr4 / 5 children, I will be emailing a separate letter to parents regarding classes for next year.

## East Barnby

Last week some of our Year 5 and 6 children went to East Barnby for the day. The children had a brilliant time taking part in climbing and bush craft. Although waterproofs were most definitely needed!

### **REPORT REMOVE - A message from the North Yorkshire Safeguarding Children Partnership**

North Yorkshire Safeguarding Children Partnership (NYSCP) is promoting the new Childline and Internet Watch Foundation (IWF) tool which helps children and young people to report a nude image or video of themselves that has been shared online. The IWF can then take steps to remove it from the Internet. Please see the following link for further information:

### Go Green with the Summer Reading Challenge 2021!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Wild World Heroes and is all about nature and looking after the planet.

The challenge is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited edition Wild World Heroes medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 10th July until Sat 11th Sept.

There will also be a fantastic programme of online activities to go with the challenge – whilst there will be some pre-recorded activities available on the @nycclibraries Facebook page, many of the activities will require bookings to be made via eventbrite (see attached flyer)

Some libraries may be able to have events in the library, depending on Covid restrictions – just ask at your local branch
