Hemingbrough Honours Programme

I would like to re-launch the 'Hemingbrough Honours Programme'.

The Hemingbrough Honours Programme is a knowledge-based programme designed to encourage scholarly aspirations, contribute to learning in other areas, to support and develop the ability to commit learning to memory and to build resilience and concentration.

Children who wish to become graduates in the different study topics can study at home and in school during their own time, taking the Graduate test when they are confident and ready.

Upon Graduation in a subject, children will receive a certificate and be placed on the Honours board,

This will further demonstrate to their peers, parents, school visitors and the wider community how dedicated they are to their learning as well as inspire others to achieve.

Children will be given the information they will need and be supported to develop the skills they need in order to memorise, learn, retain and recall the information.

The subjects that can be studied are:

- English Literature
- Music
- History
- PSHE and British Values
- Art
- Science
- Geography
- Design Technology
- Religious Education

As part of the programme, children will be able to attend a lunchtime 'university' at which they will have time to study, ask questions and be supported in order to Graduate.

There are details on the school website. If your child would like to take part in the programme, please let me know. I may even encourage children to participate myself!

Friday 1st Oct 2021

Black History Week

Next week, children across school will be learning about Black History. At Hemingbrough, we feel that this is an essential part of the curriculum, giving children the opportunity to share, celebrate and understand the impact of black heritage and culture, and learn about achievements and contributions of black people in the UK and around the world.

Donations needed!

Halloween Costumes

If you have any old Halloween costumes you would like to donate to the forthcoming School Halloween Costume Sale, there will be a collection point in the playground on the morning of Monday 4th October.

Small World Figures

As you know, we have introduced the Thrive Approach at Hemingbrough CP and we are currently in the process of creating a Thrive Room. If you have any small world figures (used or new, real world or fantasy) that you would like to donate, we will be able to make great use of them in our activities. Please bring any donations to the front office.

Thank you!

Upcoming Events...

October

Wed 6th

- Swimming – Year 2

Fri 8th

- Tuck Shop

Wed 13th

- Swimming – Year 2

Fri 15th

- Tuck Shop
