Headteacher: Mrs Sarah Chappell

## COVID Protective Measures

Following our email earlier in the week, thank you so much for your support and cooperation regarding the wearing of face masks.

Can I please also ask that if your child is ill, that you do not send them to school. Children present with differing symptoms, so if you are concerned, please do a lateral flow test and / or a PCR test.

## Parents' Evening

We are hoping that we will still be able to conduct face to face parent meetings. However, if cases of COVID 19 rise, we will have to move them to virtual meetings.

If face to face, all meetings will take place in the Hall. Parents should enter school via the main entrance.

Please wear a face mask.

Meetings are kept to a strict 10 minutes so please ensure you arrive on time for your allocated appointment. Parents are asked to remain outside until their allotted time and allow parents to leave the building before entering.

Mrs Chappell or another member of staff will be there to open the door etc.

We will let you know as soon as possible, should we need to take parents' evening virtually.

Thank you again for your continued support and cooperation.

## Relational Approaches

We had our introduction day on Monday which was a great success. Below, you can see some pictures of the displays created (which are a 'work in progress').

Black History Hall Display
