

"Learning together to challenge and achieve"

Dale Hall CP School

DECEMBER 2018

Merry Christmas Everyone..... See you in the new year.....

Important Dates

**PD day Friday
4th**

**Children start
back Monday 7th
of January**

**Friday 18th of
January- Year 3
children visit BT**

Dear Parents and Carers,

Well we've made it to the end of term and what a lovely end it was. The children were treated to a performance from the choir this afternoon and then went back to their classrooms to open the book you donated for the class library. It was such a lovely sight to see so many excited children sharing books and reading to each other so really THANK YOU so much.

We have been treated to some wonderful productions, the Reception nativity and the Lower Phase Christmas spectacular. Again, I have been amazed by the resilience of our children and staff that after such a long term they still keep going! I would like to say a big thank you to staff and parents for supporting us this term with the making of costumes, bringing in wine and chocolates and attending our events.

It makes a huge difference to the school and the resources we are now able to buy. It is looking like we have raised over £3000 for class budgets and PTA combined -which will go towards buying resources for next term's topic.

So it just remains for me to wish you all a restful and happy holiday and we look forward to seeing you all in the new year.

Mrs J Dediccoat

What a fantastic performance from our school choir! The expression that they put into their singing as well as such a polished performance really blew me away. Well done to you all and Mrs Goodfellow for such commitment and hard work. It really paid off.

Poppy G in Lions class has been inspired to raise money for a great charity this Christmas. We watched the video below and we all realised how lucky we were to have basic things such as clean water.

Poppy is going to do the ice bucket challenge.... I will follow this up with photos! Please see the link below for more details....
