

Dear Parents and Carers,

We are now already in to the month of May and as usual we have achieved so much in such a short time! Our teachers and pupils have transformed their classrooms into a topic themed areas from Tudor houses to forests and woods– look out for the photos in this months official newsletter.

The forest school outdoor classroom is starting to take shape and our Authors visit, Dave Shelton was a huge success. Unfortunately more of a success than they had planned for so many of the books ordered had to be reprinted!

Hopefully the books have now been distributed but if you are missing any please let the office know by email and we can arrange for the company to send some more. One of the books "Double Identity" is slightly late so will be handed out when it arrives.

Many thanks,
Mrs Dediccoat

Have you seen our new fence?

I am delighted with the new fencing supplied by Suffolk County Council local authority. It has secured our school and has improved the safeguarding within our school enormously as well as looking very smart. One of the children exclaimed "Mrs Dediccoat, you've turned our school all posh!"

During our recent staff meeting we had a sneaky try of our new VR headsets and attended training on how they can be used in the classroom. Our teachers really enjoyed the experience and can't wait to share them with the children.
