

# Reception News

Starfish

Seahorses

Wow what a busy year we have had! It seems like just yesterday that we were meeting each other and settling the children into their new school.

Our year highlights include a wonderful Nativity, brilliant class assemblies, amazing stories, a mystery pet, sports day, successful parent shares, endless amounts of learning, very supportive parents, and the most important thing of all, brilliant, fun, confident, independent and enthusiastic children!

We hope that all of the children have enjoyed their year in Reception as much as we have. They have developed in self confidence and have a belief in themselves. They have tried new things and have felt pride in their achievements. They have developed their social skills and have made friendships. They have become more independent and can take care of their own personal needs. Above all we know that we have successfully enabled the children to take their first steps along a life-long learning journey that could lead them almost anywhere!

All of the staff are incredibly proud of all the children and everything that they have achieved.

Thank you all so much for everything you have done to support the school. We really appreciate all of the lovely comments we have received. A big thank you to our wonderful parent helpers Lisa and Irene and to Neil and Heather who have gone above and beyond to help create our wonderful outdoor area!

Three more days to go!

We just want to take this opportunity to say that we hope

19th July 2019

## Notices

By now you should have received a notification from Tapestry to say that your child's learning journal is ready to download. Please do this ASAP as the time to download will expire after a couple of weeks. Please note that we are unable to keep any of the data, therefore everything will be deleted.

If you have not received a notification, please notify your child's teacher.

## Welly Boots

We will be putting all of the children's welly boots that we have in school outside our classrooms on Monday. Unfortunately they are not in any particular order so it will be a case of finding your child's boots and taking them home with you. If your child has outgrown their boots and you would like to donate them to the school, please feel free

## Be a growth hero and challenge yourself...

Arrange some play dates with your friends. Have a lovely time with your family. Enjoy the sunshine. Go for walks. Ride your bike/scooter. Read a book. Think and talk positively about Year 1.

We hope you all have a lovely weekend. See you on Monday.

Miss Grover, Mrs Kirk, Mrs Clements, Mrs Ross, and Mrs Brooke
