- It can help with our school work.
- You can stay in touch with friends and family.

Some online dangers include:

- Cyber Bullying
- nasty text messages and emails, swearing on X boxes.
- Stranger Danger—Some people, who we talk to online, we don't know, so they are strangers.
- Bad Language—Sometimes when we are online, we can see or hear swear words that might upset us.
- Content Online—some material online is not suitable for children to look at.
- Viruses—some emails can contain viruses.

What is E-Safety?

Why do we need an E-safety Policy?

- So that children are aware of what to do when something strange occurs or they are worried.

If people online are mean or worry me: What should I do?

- Tell an adult I trust straight away.
- Try to stay calm.
- Report anything that worries you.
- Try to ignore the person.
- Block and delete the person.
- Keep all messages for evidence.

What should I not do?

- Do not keep worries to yourself.
- Do not be unkind or nasty back.
- Do not get angry or upset.
- Do not allow the person to keep being unkind.
- Do not delete messages.

Who can we tell if we have worries about e-safety or Cyber-bullying?

- Friends
