Quote of the week:

"To me, it doesn't matter how good you are. Sport is all about playing and competing. Whatever you do in cricket and in sport, enjoy it, be positive and try to win." Ian Botham

There has been a celebration of The Lost Words book this week at TLA and within PE the children have shown off their interpretive dance skills.

Sports star class of the week

Very close to call this week: Due to their readiness to listen and learn accompanied with some superb interpretive dance, this week's sports star class is Sennen.

Year 4/5/6 football against Tregolls

The year 4/5/6 team faced a very organised Year 6 team at Tregolls for our first league fixture.

Tregolls showed early signs of scoring if it wasn't for brilliant defending from the team accompanied with some superb goalkeeping from Max. After allowing Tregolls too much time on the ball and almost encouraging them to shoot, TLA found themselves 2-0 down in quick succession after Tregolls scored twice from inside the box. The home team added a third from a rebounded shot and then a fourth before halftime to almost put the game out of reach for the away side.

After a quick half time talk and a few position changes TLA kicked off. The team were understandably disappointed with the score line at half time but showed real determination to defend well and create some real attacking opportunities. The final score was 6-0. If TLA can bring their second half performance into the next game against Chacewater, I'm sure they will get the win they deserve!

Reminder:

There is no football club on Monday of next week due to the fixture against Chacewater school.

Upcoming sports fixtures and events.
