

# Truro Learning Academy

Head of School: Mrs Humberstone

Monday 26<sup>th</sup> April 2021

Dear Sennen parents,

Welcome back to the Summer term.

For the first half of this term, our topic will be 'The Scented Garden'. We will be writing instructions, acrostic poems, riddles and writing a narrative. We will be planting seeds, looking at parts of a plant, thinking about scent and our senses and doing observational drawing. After half term, our topic will be 'Beachcombers' where we will be writing a recount, an explanation text and a narrative. In our wider curriculum, we will be looking at different plants and animals of the seashore. In maths, we will be re-capping addition, subtraction, multiplication and division before moving on to fractions and measurement.

Please continue to hear your child read daily and sign their home reading record to show you have done this. Please continue to use their reading record as a communication tool and let us know if there are any updates or new information, we need to be made aware of.

As it is the summer term, your child will need to start wearing sun cream, a hat for outdoor play and they need to bring a bottle, labelled with their name, to top up with fresh water, throughout the day. Having their own drinks bottle is vital in order to keep them hydrated.

Please could you also make sure that your child's school jumper or cardigan is named.

Our PE lesson is on a Wednesday, so please ensure you child comes to school in their PE kit.

Any questions or queries do get in touch or catch me at the door.
