

Aspire Academy Trust is delighted to introduce Aspire Catering Services. Overleaf is our Autumn Term Menu 2020.

Our aim is to ensure that all of our children can access a varied menu of fresh, home-cooked and nutritionally balanced meals every day. All of our dishes are carefully created to ensure they are nutritious, delicious and not only comply with, but exceed, the School Food Standards, as set out by the Government and Ofsted.

Our Catering Team will be creating exciting and engaging workshops for our pupils and wider school community. Our pupil activities will complement the curriculum of each academy and take a 'Whole School' approach to food and catering.

We are working hard to create a culture of sustainability across the Trust by eliminating single use plastics, reducing our food waste and engaging with our suppliers to reduce our carbon footprint.

We are proud of our Cornish heritage and are delighted to be working with local suppliers for all our produce to ensure that we keep our food miles low and support our local communities.

We are excited to bring this service to and welcome all of our pupils and parents to join us in our mission to provide 'Food for Thought'.

Jacket Potatoes are available with a choice of fillings. Please see menu

Fresh Homemade Bread is available daily.

Children are encouraged to try and eat a RAINBOW of colours daily.

Choice of Yoghurt or Fruit is available as an additional dessert daily.

Fresh drinking water is freely available.

If your child has additional dietary needs please speak to
