

## Laureate Academy News

Friday 20<sup>th</sup> April 2018

### Important Safety Update

A member of the public phoned this week to report another near miss outside the school, on the corner of Exning Road and Laureate School Road.

A young female pupil skipped out into the road, and the driver had to slam on their brakes in order to avoid hitting the girl. The member of the public also reported that they were verbally abused by the parent.

Once again, we would like to urge you to keep your children safe outside of the school gates. Although there is a dropped kerb on the corner of the road, it is not a crossing area! We are also proud to be an integral part of our local community, and request that you respect our neighbours.

### Quick Link to Our Website

Mr Wayland has created this handy QR code that you can scan with your mobile device to go straight to our website! Look out for this on letters in the future.

### Means of Communication

One of the most common feedback comments that we receive is about how we communicate with you, so that you have up to date information about what your child is learning, upcoming events etc.

As well as this weekly newsletter, we also provide information in the following ways:

- Via the school [Facebook](#) page and [Twitter](#) account (@LaureatePrimary);
- Via text messages and emails (don't forget that you can access all of these messages more easily, and save us money on texts, by downloading the eSchools app from your app store);
- On the chalk board and whiteboard outside the school;
- Via your child's Home/School Book;
- Via the school [website](#), which has an up to date diary of events as well as news items and general information;
- Regular information meetings, share sessions and consultations (such as the termly Coffee, Cake & Chat with Mr P.).

If you have suggestions about how we can improve our communication, please do not hesitate to let us know via the office.
