Our Aspirational Aims & Values Explained

Hopefully, you are all familiar with our 'REACH' logo, but do you know what it means? We have recently been discussing this with our staff, parents who attended this term's Coffee, Cake & Chat event with Mr Perkins, our House Captains and our school governors in order to find out what it means to them.

We have made one important change: the 'A' will now stand for **Aspire**, instead of Achieve. Of course we want all of our pupils to achieve the very best outcomes that they can, but beyond that we are committed to supporting all of our pupils to discover their potential, and celebrate their achievements as they move towards fulfilling their ambitions.

When asked about what **Aspire** means to them, our Junior Leadership Team said that, "We will reach high to try to achieve our goals and leave our comfort zone in order to go beyond our limits;" similarly, parents said that, "We want our children to be inspired to challenge themselves and each other in order to continuously improve, and to widen their awareness of what's possible for them in the future."

You can read a full explanation of what REACH means to us on the attached summary.

Tip of the Week!

We've been celebrating Children's Mental Health Awareness Week, with the theme of being Healthy: Inside and Out. Family life can be very busy and stressful at times. Cooking a meal, sitting down for a family dinner, or going for a walk together can be a great way to stay connected and have fun.
