Safer Internet Day Success

By Kate Darling (Year 5 Digital Ambassador)

We would like to thank all of our parents who came to the share session on Safer Internet Day. It was a great success. All of our Digital Ambassadors did really well with the time they had. Also, they only found out that they were Digital Ambassadors about two weeks ago. We had a lot of good comments from our adults who came. So thank you.

Our Curriculum Mission Statement

This year, we are focussing on enhancing our wider curriculum, beyond English and maths, to ensure that standards of work are equally high in all subjects. Mrs Dalton, our Deputy Headteacher and Curriculum Leader, has written a summary of our approach to teaching the core knowledge, skills and vocabulary that children need: this 'mission statement' is attached to this newsletter for your information.

Tip of the Week!

Talk to your child about what you do to look after your body and mind, from walking the dog to turning your phone off before bed. Sharing steps you take to stay healthy sets a good example – but don't be afraid to admit if you've struggled! It's important for children to keep trying when things are difficult.

Our Weekly Stars

Mathemagician
