Ofsted Report Published

We are delighted to be able to share our latest Ofsted report with you, which confirms that we remain a 'Good' school. The most pleasing comment, which sums up our ethos perfectly, is that,

"All adults want pupils to achieve their best in the school's happy and caring environment."

Other highlights include:

- *"In keeping with your vision, pupils' well-being is given a high priority."*
- *"Pupils know that adults will listen to their concerns and provide them with any help that they need."*
- *"Several parents commented on how their children had grown in confidence, made academic progress and have opportunities to take on responsibilities."*
- *"Pupils say that they feel safe."*
- *"Pupils are polite, confident and welcoming to visitors as well as to pupils who join the school."*
- *"Relationships are good and this contributes to the purposeful learning atmosphere evident in all classrooms."*
- *"The quality of pupils' writing in subjects such as history, geography and science is of the same good standard as in their English books."*
- *"Pupils enjoy reading and do so confidently, with fluency and comprehension appropriate for their current levels of attainment."*
- *"Both teachers and teaching assistants use questioning well to check and support pupils' learning."*

I am sure you would like to join me in thanking all of the staff and governors for their commitment and dedication to providing your children with the best possible education. Mr. P.

Tip of the Week!

We had a fantastic maths share session for parents and carers of pupils in Years 4 and 5 yesterday. It's so important that children hear their grown ups talking positively about **all** learning – too often, adults say, "I'm rubbish at maths!" whereas they would rarely talk in the same way about struggling with reading or writing!
