Hour of Code Success

Pupils from all classes have had the chance to take part in some exciting coding activities throughout the week as part of our second annual Hour of Code, including block and text-based programming. As part of our commitment to ensuring all children develop the skills necessary to write code, some have been able to code in other languages such as Polish.

Christmas Fair News

By George and Ana (Website Club)

This year the Christmas Fair raised £3,500. The classes competed to raise the most money. Each class had their own stall. The brilliant stalls all raised lots of money but Rabbit class stall raised the most. They will be able spend money on the class. Last year the school raised £2,600! This year the school raised £900 more.

Chloe Goes Short Too!

Last week, we announced that Ms Palmer is having her hair cut in support of the Little Princess Trust. This week, we are proud to publicise that Chloe in Year 4 is doing the same, and raising money for the British Heart Foundation at the same time. Chloe said, "I love helping other people so I thought I would donate my long pony tail to the Little Princess Trust so that they can make it into a lovely wig for a child who has lost their hair. At the same time, I thought I would get people's support to do it and give the money raised to a different charity." You can donate in support of Chloe [here](#).
