

## Laureate Academy News

Friday 17<sup>th</sup> May 2019

### We Need Your Feedback!

Thank you very much to everyone who has returned the annual parents' questionnaire; although lots of you completed the survey on the [Ofsted Parent View](#) website when we were successfully inspected last term, it is still important for us to know what you feel we are doing well and what we can improve.

Similarly, we hope that as many of you as possible will be able to join Mr Perkins and other families for 'Coffee, Cake & Chat' on Monday at 2.30pm. We'd really like to know what you think about:

- Proposed changes to the end of year reports for pupils;
- Proposed improvements to our after school provision from September;
- Anything else that you'd like to discuss.

If you can't make the above meeting but would like to discuss any of the above, please speak to a member of the office team who will be happy to assist you.

### Congratulations, Year 6!

As mentioned in last week's newsletter, Year 6 completed their Key Stage 2 SATs tests this week. Every pupil turned up on time, ready to do their best, and approached the six tests with maturity, positivity and resilience. The papers have been sent away to be marked, with the results published on Tuesday 9<sup>th</sup> July; meanwhile, Year 6 will be working hard to polish up their independent writing, as this is assessed by the class teachers at the end of June before being submitted to the Department for Education. We are hopeful that this year's cohort will break all school records! But whatever happens, we know that you have worked incredibly hard and we could not be more proud of you.

### Tip of the Week!

With the weather getting warmer, please make sure that you provide your child with a sun hat and water bottle every day for the rest of this term. We respectfully ask that you apply sun cream at home before the school day, rather than sending it in with your child. For more information, please visit the NHS website [here](#).

### Our Weekly Stars

#### Community Champions
