Book Week Celebrations!

We've had another successful Book Week, with a combination of old favourite and brand new activities to help us to celebrate our love of reading:

- On Tuesday, around 80 pupils came back to school in their pyjamas to enjoy bedtime stories read to them by staff and governors, as well as hot chocolate and biscuits;
- On Thursday, we celebrated World Book Day with our annual dressing up festivities, including a share session in the morning for grown ups to come in and see all of the fantastic costumes being worn by the children (and staff!);
- All week, pupils have been writing poems which will be published in an anthology (available for you to purchase later in the year) and entered into our second annual Poet Laureate contest!

Important Information from Suffolk Constabulary

Operation Sceptre is a police-driven operation around the reduction of knife crime. A week of action normally takes place twice per year, and the first for 2019 is next week. Please find attached electronic leaflets for you to use to raise awareness with your children around this important issue and Anti-Social Behaviour, particularly those of you with older children.

Settled and Pre-Settled Status for EU Citizens and Their Families

If you're an EU, EEA or Swiss citizen, you and your family will be able to apply to the EU Settlement Scheme to continue living in the UK after 30 June 2021. We are keen to support any of our families with their application, and will be providing further information following confirmation of Brexit arrangements; in the meantime, you can read the current guidance [here](#).

Tip of the Week!

Please take a moment to read the attached leaflets from the police and make sure that your children are aware of the consequences for their behaviour, especially if they are old enough to 'play out' without an adult. Any child aged ten or over has 'crossed the line' in the eyes of the law and is responsible for their own actions.
