## English at Bream

Throughout Key Stage 1 we systematically teach phonics through Letters and Sounds supplemented with songs from Jollyphonics and interventions from Read, Write Inc.

Throughout Key Stage 2 we systematically teach spellings through Spelling Shed; the children can also access this at home. Children are given books to read following a colour banded system that gradually increases in difficulty. We supplement this with Oxford Owl ([www.oxfordowl.co.uk](http://www.oxfordowl.co.uk)), which parents can sign up to. Children are expected to read at home at least three times per week for a minimum of 10 minutes.

## Maths at Bream

We follow a mastery approach at Bream, encouraging the children to think differently about their work, offering explanations as to how they have arrived at answers. To facilitate this we base our teaching around the Maths No Problem Scheme, supplementing with White Rose Maths and Oxford Owl Inspire using a CPA (Concrete, Pictorial, Abstract) model at all levels. These schemes follow the Singapore method of teaching.

Please feel free to contact the school should you wish to see either of the curriculum leads for Maths and English for more information.
