Whole School as at
26th March 2018

5.1% (Target 97%)

Class	Current attendance
Year 1	93.8
Year 2	95.9
Year 3	95.8
Year 4	93.3
Year 5	96.8
Year 6	94.1

Please check out our website

Please have a look. Our website is a great place to find out all of the latest information about our school.

You will find us at www.breamcofeprimary.co.uk.

The website is a great source of information. It includes important dates, news reports from school activities and policies plus much more.

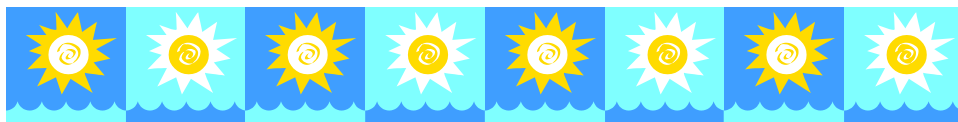

Have you got any old smart phones and chargers at home that you no longer use? Please donate them to the school. We can make good use of them to enhance children's lessons. Please provide the charger if you have one but we do not need a sim.

School Lunches on Thursday 29th March

As our Fish and Chip Friday is popular we will be having Friday's menu on Thursday this week. All children that have school lunch on Thursday will also be entered into the Easter Egg Competition.

Good Luck!!!

Summer Menu

Please find attached the new summer menu which will be on offer after the Easter break. Please be aware that Caterlink have increased the cost of school meals after Easter to £2.36 per child per day.

Bitesize Governors

We still have two parent governor vacancies and would be delighted to give you more information. Please have a serious think about becoming a governor. The role is rewarding and has great personal development opportunities which is a bonus.

The staff and governors work very hard to ensure that our school is a place where everyone thrives and fulfils their potential. Parents and carers have an important role to play in supporting the work that's done in school. Reading with your child and helping them with their spellings at least 3 times a week, makes a significant difference. We also value your visits, for example, for collective worship with your child's class and one-to-one for parents evening.

Good relationships between all members of our school community are key to an effective learning environment. Staff and governors are keen to discuss any issues with you when you have concerns.

Visits by governors are continuing their monitoring visits within the school day; a visit by the Local Authority has taken place; staff took part in our January meeting where the subjects were presented to governors and we were able to ask questions on outcomes and impact of planning and delivery; chair of governors met with Bream Early Learners.

If you have any questions or comments do get in touch via the school office especially if you would like to find out more about being a governor.

Have a fabulous Easter!!!!
