Dear Parent,

We hope that you and your family are well. We look forward to welcoming your child/ren back to school.

We recognise that families are likely to have been affected by COVID 19 in a variety of ways. In order to be able to support your child in the best possible way when at school, we would appreciate you letting us know by filling out the box below, including brief details about anything you feel may be useful. This may include family bereavement or change of address which may have occurred and may have affected your child/ren. This information will be kept confidential and stored securely.

In addition, as we are planning for potential future lockdowns and possible time away from school, we would be interested to find out if all households have the ability to access online learning/lessons to help with home learning. If you do not have access to the internet either via a mobile phone, tablet, laptop or other device, please tick the box below and we will contact you to discuss the matter further.

We would also like to remind you that if you have visited a country which requires you to quarantine for 2 weeks on return, please let us know as soon as possible.

If you have any questions please do not hesitate to contact us via email.

Regards

R Dare (Executive Head Teacher)

.....
Child/ren's name: _____ Year Group: _____

We do have access to the internet at home: Yes/No (delete as applicable)

Information that may have affected my child/ren during COVID 19
