**'Caleb's Mountain' will be running 'The Solihull Approach' Course for any parents who wish to understand better, and get to grips with the behaviours of their children during their development.**

**The next course will be Tuesday mornings in January at Berry Hill Primary School**

**To gain the best experience, Solihull Approach suggest a minimum of 12 parents which we are happy to take from any of the schools in the Forest of Dean or surrounding area.**

**I would be most grateful if you would share amongst your friends.**

**We have 3 'Solihull Approach' trainers from a variety of backgrounds including youth work, youth support work, teaching, 'Relate' and family support.**

**I am contactable through Bream School on 01594 562628 or Bream Church Office 01594 562985**

**One of our team would also be able to come and share more about the course. We might also be able to run the course in your school if you felt there would be sufficient uptake... so please scroll down to find out more.**

**Looking forward to hearing from you.**

**Kind regards,**

**Barry Stevens**
