

Hi

I'm Mrs Longbourne!

Welcome to Clarendon Junior School and Polar Bear Class! We are really looking forward to meeting you all and can't wait to have everyone back together again.

My name is Mrs. Longbourne and our class teaching assistant is Mrs. Grantham (she's great!). We are here to help you all to do the very best that you can and to have a happy time in the Juniors. We like to do lots of different activities and so I am sure that you will all find new things that you enjoy and are good at. Year 3 is so much fun and we learn about some really exciting topics - like the Ancient Egyptians and the amazing country of India!!

It is important for you to know that if you are ever worried or scared about something, there are always people that you can talk to. Mrs. Grantham and I are here to help, or there is Mrs. Allen who runs The Ocean Room (this is somewhere that you can go and talk to Mrs. Allen or her assistant, Mrs Tyrkot). We are really friendly in the Juniors, so don't worry!

Mrs Grantham and I will make sure that you know all the little things you need to know, like where to hang your coat or which toilets to use and we will give you a super tour of the school. Mrs Grantham is also in charge of our beautiful library - you will be able to choose your own books and use the computer to log them in and out! We are used to helping children settle in to Clarendon Juniors- in fact, some of you may have big brothers or sisters who were also Polar Bears, so they will be able to tell you what fun it is being in the Juniors.

We work as a team with the 2 other year 3 classes - Sharks and Hedgehogs, so even if you are not in the same class as all of your friends, you will all be on the playground together for break and lunchtimes, so you will still get to see them lots everyday.

I hope that you are as excited about coming to the Juniors as we are about meeting you! Meanwhile, stay safe, enjoy the summer and we will see you soon!!

Best Wishes,

Mrs. Longbourne
