

Hello and welcome future Leopard class!

My name is Miss Bradley and I am going to be your teacher for the year. I know you were probably expecting to be in Orang-utan class but I decided to change our class animal to Leopard as they are my most favourite animal. We are also very lucky to have Mrs Outhwaite and Miss Newman with us as well.

A little bit about me: My favourite colour is pink, I love to read, this is my favourite hobby (my favourite books are The Nowhere Emporium, the Harry Potter books and The Hobbit).

I really enjoy cooking, watching films (in my opinion, you can't beat a Disney film, my personal favourites are Aladdin and Beauty and the Beast) and I do have a bit of a passion for shopping!

My favourite subject to teach is Maths (my favourite times table is 6 x 7 and I love fractions and percentages) although, I do also really love teaching History and Geography too.

I 
SCIENCE

Another favourite subject of mine is Science and as I am the Science subject leader, I will forever be talking about science in school and experiments (which are always the best part of science).

Year 5 is a brilliant year to be in. You will work hard, ready for Year 6; however, you will also have a lot of fun as well. I cannot wait to meet you all soon and I am so looking forward to September. Please do not be worried about next year, it is going to be great and Mrs Outhwaite, Miss Newman and I, will make sure that you are happy and enjoying your time in Upper School.

From,

Miss Bradley 😊
