

Hello future Tigers!

My name is Mr Dickie and I'm looking forward to working with you all next year! In Tiger Class, I am lucky to work alongside Mrs Standidge who some of you probably know and may have had older brothers or sisters work with her. We are both excited to get to know all of you when we begin the new academic year.

Now a little bit about me. I love sports. I am a big football fan and my favourite team is Arsenal. Now for those of you who like football too, things are not too good with Arsenal at the moment so it can sometimes be a sore subject, especially on a Monday morning!!

I love other sports such as cricket, hockey and netball and I always love trying new sports. I love art (it's my favourite subject, more than PE!!) and I love different aspects of it such as painting, drawing and my favourite, bubble writing. As I have grown older, my enjoyment of reading has increased and I read every day. My favourite genres of stories are science-fiction and horror. I also love telling stories about my life. They may not be very exciting but with a young child who provides me with lots of entertaining moments, sometimes it is nice to share them with others.

When we come back in September, hopefully things will be almost back to normal. It has been a strange year and some of you may feel nervous about starting in Year 5. Mrs Standidge and I will be here to help you with any worries or concerns about anything. We will be looking at some great topics such as the tiger and our world which will ease us into the new year. Some of the work will be tough - I'm not going to lie, but it will be enjoyable and hopefully fun!

So have a great summer, enjoy the weather and make sure you keep up your reading and times tables! I cannot wait to meet you and have a wonderful year learning lots of new and exciting things.

From,

Mr Dickie ☺
