Fidget Spinners

We have noticed that a number of children are bringing "fidget spinners" into school. We appreciate that they are great fun to play with but we would be grateful if children kept them safe at home to play with and not bring them into school.

Thank you for your support with this matter.

School Gate

Just a gentle reminder that due to clubs taking place after school we would kindly ask that children and parents are offsite by 3.30 p.m. so the gate may be locked promptly at this time. This is to ensure our after school club children are kept safe.

Thank you.

Construction Club

Mrs Charles will be running a construction club on Wednesday lunchtimes for Reception and Year 1 children. A letter will follow shortly with further details.

Multisports and Tennis Clubs

This is just a reminder that there is a small fee of £1 for the Multisports and Tennis clubs, as we have external professionals coming into to provide this training.

Jumble Sale Reminder

Please come along to the school's Jumble Sale on Saturday 6th May 11 a.m. - 1 p.m. Any help on the day would be much appreciated.

Thank you.

PE Kits

Could we please ask that children keep their PE kits in school every day.

We are finding that an increasing amount of children do not have their PE kit in school, which causes disruption to the class teacher and office staff.

In future, if children do not have their PE kit in school, unfortunately we will be unable to phone parents to bring them in.

Thank you

Appointments

Please could any routine appointments such as dental and optician appointments be made out of school hours. We understand that some appointments cannot take place out of school hours; such as hospital appointments or emergency medical appointments.

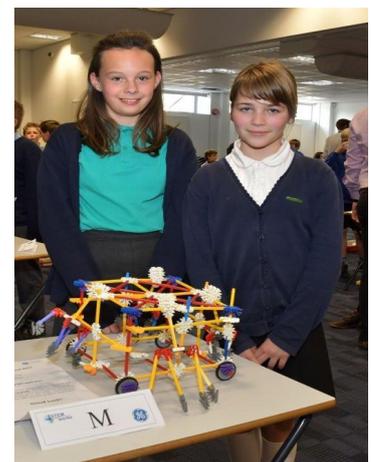

Thank you

Knex Challenge

Gracie-Gem Davies and Amber Edey had a great time last week, representing the School at the Knex Finals.

They made an amazing structure and were a credit to the school.

Well done girls!
