Dear parents / carers,

Pokemon Cards

Key Stage 1 would like to ask for your support in keeping Pokemon cards at home from now onwards. While we appreciate the social and educational value this game can have, the younger children are struggling to maintain fair trades during this time. Instead Key Stage 1 will be investing in our own set of Pokemon cards and Top Trump cards. Children will be able to play with these at set times and will be able to learn the importance of fair trades and sharing with adult support when needed.

Gentle reminder

Please respect the Key Stage 1 classrooms when collecting children from Playgroup and at the end of the day. Lessons are still going on, and it can be distracting and unsettling for the children. As always, we appreciate your continued support.

Yours sincerely
Key Stage 1 team
