

Head Teacher News

Hello Calton **STARS** - I hope you are all shining!

We now have welcomed back quite a lot of our children and families because of the re-opening for some year groups. Today we will be having a lot of Playgroup children back. However, school is still not the same. I am missing my Monday morning assemblies when I discuss messages which are important for us all and the children join in with their fantastic ideas too.

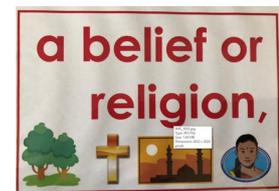

This week would have been about the right we all have to practice a belief or religion. This has been in the news very much over the last week. All around the whole world many people have shown how strongly they believe that no-one should be treated differently because of the colour of their skin. At Calton we absolutely stand by this belief - it is part of our values and curriculum and helps us all to live happily all together.

We also fully support all who are religious and I should think that many of you are glad to see that places of worship are going to gradually open up for people. Whatever your life choices are though please carry them out safely so that when we are able to have you all back you can be here ready for everything school has to offer.

At the moment we still don't know what Playgroup and School will look like in the next few weeks and into the new academic year however I can let you know that for a period of time the Calton family is going to be bigger as from September we are going to work with Hatherley Infant School in Gloucester too. Any changes that this may bring will be communicated as we know more.

If you are not able to be back in school yet please understand that you are very much in our thoughts and we will continue to contact you all via phone as regularly as we can - we especially love to chat with the children!

Sarah Bunce

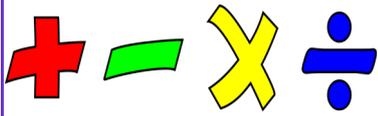

Calton Playgroup News

It has been lovely to welcome children back to playgroup. We couldn't believe how much you have all grown. Today we have learnt some new rules and boundaries and played with our friends in our satellites Sun/Moon. The children have had so much to talk about sharing their 'lockdown' experiences. For those children who have not returned, we are missing you. Let's all keep busy playing.

Thank you
Jackie and The Playgroup Team

DoodleMaths

Well done for working so hard on your home learning . To celebrate we have published the names of the Top Doodlers of the week and all Doodlers who have made it in to the Green Zone!

Top Doodlers of the week
