

Head Teacher News

Next week will be the last theme that I would be covering in assemblies this term so today we have the penultimate message that all children (and adults) deserve to "be loved".

Since playgroup and school closed to many of you on the 20th March so much has not been familiar to us. It seems so different and wrong that you are not all here now being part of our big Calton Family. We have tried our best to keep in contact with you and I know that lots of you have kept in touch with us by sending emails to our year group addresses. I also saw on our Calton Facebook page last week photographs of children who are busy learning and being safe and happy at home during this time.

However, I want you all to know - children and grown ups, whether I can still see you because you are in school or not, that you are missed. Because of where I have to be in school at the moment I can go for quite a while without seeing lots of children or staff and whilst phone calls and "Zoom" meetings help us to carry on with our school business it is no substitute for being together - see below who I saw today. Calton is a community and communities thrive by connection so let's keep this going as much as we can but remember that although you aren't all here you are in our hearts and are loved ♥♥.

On another note I hope you find the newsletter a good way of keeping up to date with us and that you have noticed if Year 6 manage to raise £500 to help cover the costs of their leavers hoodies and other events I will be the last "victim" to be soaked - the challenge is on!

Calton Playgroup News

Transition into Primary school will be different this year due to the pandemic. Usually we share the end of pre-school documentation with families so we can add your comments and those of the children.

They have been completed (you will get them in the new academic year) and these, along with the Learning Journeys have been given to Calton Reception staff so that they help to smooth the transition between playgroup and school by giving your children the confidence to talk and reminisce on happy times and look forward to this exciting new chapter of their lives.

Families will receive the Learning Journeys back at the first school consultation meeting in the Autumn. The children who are not going to Calton in September will have had the same process undertaken with their new school.

If you have any queries do not hesitate to contact us.

Gloucestershire Family Information Service exists to help Gloucestershire residents discover support locally and nationally. Whatever issues you may be facing, the Family Information Service is here to help you find the answers that you need.

They have also developed a **free Parenting Support Line (0800 542 02 02)** which is open through the week and on Saturdays.

Please search Family Information Service Gloucestershire on Facebook and give their page a "Like" so that you too can stay up to date with local updates and Covid-19 support.

Signing of Year 6 shirts

For any Year 6 children that are not currently in school, if you would like to drop off a named, clean, white school shirt/polo shirt in a plastic bag or post one in to the school in an envelope the teachers are organising getting these signed by the children in school as part of the leaver's organisations. These will need to be in by the 6th July.

Miss Burkett needs you! For those that attended **Young Voices** in January we would love to hear from you. Please record yourselves singing the Disney Medley and send in to **Youngvoices@caltonprimary.co.uk by the 9th July** so we can create a montage. Please read the letter on eSchools for further information.
