

English

We will be learning about the features of narrative tales and writing our own superhero story. We will explore the features of non-chronological reports and write our own version. We will read a selection of challenging fiction and non-fiction texts, and answer associated comprehension questions.

Science

We will learn about changing environments. We will find out that all living things belong in different groups - classification. We will identify characteristics of each group. We will learn about food chains, identifying predators and prey.

Geography

We will be using maps and atlases to identify the countries of the United Kingdom. We will learn the difference between the UK, Great Britain and the British Isles.

MFL

We will be learning simple words and phrases in Spanish.

Computing

We will produce digital music.

Maths

In Maths we will be developing skills in Place Value. We will learn more about area. We will develop our skills and understanding of addition and subtraction. We will also revisit some of the work missed during lockdown.

PSHE

Coming together again, dealing with worries and looking to the future.

RE

We will learn about the Trinity and why it is important to Christians.

PE

In PE will develop our key skills in jumping, throwing and catching. We will also develop balance, shape and movement in Dance.

DT

We will use appropriate stitching to create a product allowing for seams and using decorative techniques to enhance the appearance.

Music

We will study the structure of songs, focusing on the song Mama Mia by Abba. We will learn basic instrumental skills by playing tunes in varying styles.

Captain Calton
