

26<sup>th</sup> November 2019

To Families of Y3 Children

**Social Media Abuse**

This is to inform you that whilst the children were on their visit to the Mosque on Monday 25<sup>th</sup> November it transpired that a member of the public filmed them walking in the community and uploaded it onto social media.

As you will know due to our high expectations we have taken this very seriously and have reported the incident to the police who are investigating on our behalf. We will update you with further information when we have it.

If you have any queries about this occurrence please see your child's class teacher in the first instance.

Yours sincerely

**Sarah Bunce**  
**Head Teacher**
