**for our current parents*

Whilst we welcome siblings into school to watch assemblies and other performances we will also provide a crèche facility and would like to encourage parents and carers to use this. Younger children are very welcome to attend performances and assemblies however we appreciate that sometimes it is difficult to occupy them whilst watching the children. If you choose not to use the crèche facility and your younger child/ren are causing a disruption you will be kindly asked to leave the performance. Thank you.
