Whilst we welcome siblings into school to watch assemblies and other performances we will also provide a crèche facility and would like to encourage parents and carers to use this. Younger children are very welcome to attend performances and assemblies however we appreciate that sometimes it is difficult to occupy them whilst watching the children. If you choose not to use the crèche facility and your younger child/ren are causing a disruption you will be kindly asked to leave the performance. Thank you.

### Healthy Snacks at School

Please can we remind you that children should bring fruit or vegetables for a mid-morning snack.

**If they bring grapes ,or similar fruit/vegetables , we expect these are cut in half lengthways to avoid choking.**

### Calton Coffee Morning, Thursday 11th July 9-10am , Onyx building

Parents are warmly invited to come along to the last coffee morning of this school year on **11th July**. Pre schoolers are welcome, we have toys for them to play with. We look forward to seeing you.

### PARKING OUTSIDE SCHOOL

We previously reported how important it is not to park on the yellow markings outside the front of school. This includes the yellow zig zag and single yellow lines. New signage is on display at the front of school to emphasise the rules and anyone parking on the markings could face a fine. We are monitoring the situation and the number plates of regular offenders will be passed on to the police. Can we also remind everyone to be considerate of our neighbours when parking on Calton Road.

**Let's work together to keep our children safe on their journey to and from school.**

### Netball Festival

On Monday 10<sup>th</sup> June the Year 6 Netball Team attended the Girls only Netball Festival at Denmark High School. The team competed in the Plate Competition with the aim of trying to win the plate. The team played 5 matches and found themselves in the final against Elmbridge. The girls worked extremely hard and communicated well as a team which resulted in them coming **first** in the Plate Competition! Well done girls!

### Rugby Festival

A huge well done to the children in Year 5 who took part in a rugby festival organised with Gloucester Rugby, we entered two teams and both teams **won every game** they played!

The two teams worked very well together, encouraging each other and communicating well.

This proved to have excellent results!

The most impressive part of the day was the humility that the children showed. They all agreed that they were happy to be allowed to play and that they had thoroughly enjoyed the experience.

Well done everyone.

**Doodle Maths**

As a school we subscribe to **Doodlemaths**; the **log in** for this can be found in your child's **WOW book**. As well as providing practice in all areas of mathematics there is also a times tables app which can be downloaded as part of the package for your child to use to support their maths Inter Rail targets.

The app cleverly reprograms itself so that the work your child completes is personalised and tailored specifically to their needs. Please log the times that your child completes Doodle Maths in the **WOW book** so that they can earn extra Calton Credits!

If your child completes a long streak (using the app every day for a number of days) then they can earn themselves a super shiny maths pencil! I have been very happy to give out another 30 of these this week, along with certificates for the highest number of stars earned! A special congratulations to one of our pupils, Freddie, who has achieved a 500 day streak - well done! Keep up the hard work!

Mrs Norris

The CFA would like to thank and say well done all those who entered the colouring competition.
