

## Head Teacher News

My theme this week in assembly would have been to think about how we all have the right to live on a planet that is cared for. I have seen lots of photos of how Calton children have been enjoying being outside during this time, either playing in the garden or planting vegetables, taking bike rides or listening to the birds singing, walking to the top of Robinswood Hill or taking their dog for a walk - the list is endless. We do live in a beautiful world.

I would like us all to consider how we make sure we can continue to look after our environment - both inside and out - so that everyone can be proud of where we live. This means little changes you can make at home (perhaps growing flowers or making a home which bees and insects love), whilst out and about in Gloucester always putting litter in the bin or taking it home or when we can travel even further appreciating different environments like rivers, mountains or the seaside.

On another note I know lots of you will now be wondering about what coming back to school might look like in the next few months. I honestly at the moment can't really say, I am waiting on more information but I do know we would love everything to be "back to normal". Children should be finding out which teachers they should be with in September from the week beginning 06/07/20 and we aim to send out yearly reports in the week beginning 13/07/20. All of this information will be sent electronically via eSchools so please make sure your details are up to date.

In the meantime we need to continue to stay safe in all that we do and then we can have a future where Planet Earth keeps us happy and safe and we can do our bit too. Maybe look up at the sky if you are up a little later and remember why we are Calton **STARS!**

## Year 6 need your help!

We are currently organising a 'Virtual' **Soak the Teacher** to help us raise money. If you want to get your own back on your teacher for all the homework they've set, or just fancy a giggle seeing your Learning Partner having a bucket over their head then please donate on ParentPay.

**The more money we raise, the more teachers we can soak!**

## Calton Playgroup News

Into the 3rd week back the children's resilience and happiness has made it so much easier, really proud of our little stars.

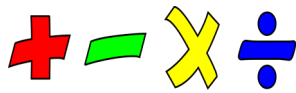

Well done to all our parents whether you are bringing your child to playgroup or supporting them at home, you too can shine.

We are in such extraordinary times, let's all shine bright together.

Thank you  
Jackie and The Playgroup Team
