

What a super start to the new academic year

The children have returned focussed and have settled extremely quickly into their new classes. I would like to take this opportunity to give a very warm welcome to all our new families, particularly those of our Reception children. We are really looking forward to working with you.

This week started with Mrs May introducing herself to the whole school by playing a 'Guess Who' game alongside myself. The children were slightly disappointed when I was unable to show them a magic trick using my husband's playing cards, but there may be a magic show in the pipe line at Christmas to make up for my lack of skills! Why not ask your children if they can remember what was similar and different between myself and Mrs May?

Key stage one have been creating wonderful castle creations this week. It was fantastic to be greeted on Monday with little arms full of carefully constructed turrets and drawbridges that had obviously been so thoughtfully made during the summer holidays. I can see that many children have a hidden talent for design - perhaps future architects in the making?!

Key stage two have settled very quickly into their morning routines and lessons. Year 3 and 4 have started to explore the devastating impact of plastic on our seas whilst Year 5 and 6 are quickly becoming gripped by their learning surrounding the text 'Stormbreaker' written by Alex Reid.

Next week you will have the opportunity to meet your child's new class teacher, please check below for further details. We pride our self on our 'open door' policy at Pennoweth, so please do contact us if you need to talk.

Wishing you all a wonderful weekend.

Deputy Head

Important Changes to Breakfast Club Entrance

From Monday 16th September, the children will no longer be entering the school for Breakfast Club via the gate on the car park. They will do so, via the main office entrance, where Mrs Tiddy will 'man' the door. The blue gate will then be opened at 8.40am to allow the KS2 children into school for the start of the school day. The gate will then be locked at 8.50am.

Children must not be left unsupervised on the school site before the start of the school. Parents are responsible for their children until the bell goes at 8.40am, when children enter the school to their classrooms.

General Data Protection Regulations. The information being collected will only be used within the guidance of the GDP regulations. More information can be found on our website.

Unauthorised Exceptional Leave of Absence Information

The law requires parents to ensure their children receive an efficient full time education, and every minute of every day is important. Please help them not to miss any of this valuable time.

We hope that when you have read the information outlined on our website, you will consider that your child's education is too important to take holidays during term time.

If an unauthorised leave of absence is taken, this may incur a penalty notice being issued under Section 444A and 444B of the Education Act 1996. This carries a fine of £60 if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice will result in Court action

Unauthorised Late Marks Information

If your child is arriving late - after the register has closed at 9am, it will be coded as a U which, is an unauthorised late mark. If your child accrues 10 unauthorised late marks within 100 sessions (10 weeks) you will be committing an offence under the Education Act 1996.

The School may refer the matter to Cornwall Council who may decide to take legal action against you., issuing a penalty notice under Section 444A and 444B of the Education Act 1996. This carries a fine of £60 per child, per parent if paid within 21 days or £120 if paid after this but within 28 days. Failure to pay the penalty notice will result in Court action.

Persistent absences/unauthorised lates, not authorised by the school, may result in a prosecution in the Magistrates Court, leading to fines up to £2,500 and / or custodial sentences.

Pupil Contact/Medical/Dietary Information

It is of the utmost importance that we always have up-to-date contact/medical/dietary information for all children.

If you are unsure of the current details we hold for your child, please come to the school office to check and, if necessary, make any amendments.
