There has been some serious sporting activity going on in school this week as the tribal sports competition heats up! Good luck to all our tribes! The winning tribe will be announced next week; certificates and medals are being prepared!

As you will have hopefully seen from Marvellous Me, we have taken the decision to not make any changes to the way that we are operating (in terms of Covid restrictions) for the remainder of this term. Please help us to keep the risk of infection low by continuing to wear a face mask whilst on site if you are able to. Arrangements for the new academic year will be finalised at the end of the summer holidays and letters sent out via Marvellous Me.

If you don't currently have a log in for Marvellous Me or you have lost your password, please just let us know and we can re-issue joining instructions for you. Most of our communication is sent out via Marvellous Me now.

Messages

- We will be sending completed exercise books home with children at the end of next week. Please can we ask that you send in a strong carrier bag (bag for life style!) for children to put their books into? As per every year, we will be keeping a sample of books for a few months in case we need to evidence work from this year. Teachers will let you know if we have selected your child's books to keep. Any books that are kept will be handed back to children at Christmas.
- We know that parking is very tricky at the start and end of the day but please could we ask that you take care to not block roadways or park across dropped kerbs. Thank you.
- Just a reminder that the last day of the school year for children is **Thursday 22nd July**. Friday 23rd July is a staff inset day.
- *** A message from our friends at Lanner school: **We need your help. If you shop at Tesco Redruth or Tesco Extra in Pool, please could you pop your blue token into the Lanner School box. Voting in stores commences on July 12th until the 30th September. Thank you. *****

Character Qualities

We have 4 key characteristics that we are always on the lookout for! Each of these is represented by a character.

Considerate children are thoughtful, caring, sympathetic, helpful, polite, attentive, mindful and patient.

Inquisitive children are curious, inquiring, questioning, intrigued and eager to know.

Courageous children are bold, brave, valiant adventurous and determined.

Children who are being fun will be enthusiastic, excited, energetic, cheerful, light-hearted and will laugh!

We also have our Stars of the Week, who have been classroom superstars and have showed a range of great qualities! Well done to all the children below.
