Pennoweth News

This week in school

As we start to make plans for the very end of this term and consider arrangements for the start of the next academic year, we thought we would change our newsletter format a little to give us more space for diary dates. Hopefully from September onwards we will be able to have a lot more events and invite you back into school again.

Thank you so much for all your support and patience over the last few weeks as we have had to shut bubbles. As always, we follow the advice given to us by the DfE and try to keep you informed as to what is happening as quickly as possible. Thank you for being so responsive and understanding; we absolutely understand how disruptive it has been.

This week the children have started their new, and final, projects for this academic year and there is a real science theme throughout the school with children conducting experiments and considering scientific concepts.

Messages

- Children's reports will be sent out (via Marvellous Me) by the end of Monday 5th July at the latest. Please do get in touch if you have any trouble accessing this at all
- Children will find out on Wednesday next week which class they will be in next year. A staffing structure list with details of your child's class will be sent home
- Thank you so much for responding to the parent questionnaire. If you have any further feedback regarding behaviour (or any other area) please do get in touch (via email or by phoning the school office)

We are safe. We feel loved. We take responsibility. We are always learning. We are ready.

Character Qualities

We have 4 key characteristics that we are always on the lookout for! Each of these is represented by a character.

Considerate children are thoughtful, caring, sympathetic, helpful, polite, attentive, mindful and patient.

Inquisitive children are curious, inquiring, questioning, intrigued and eager to know.

Courageous children are bold, brave, valiant adventurous and determined.

Children who are being fun will be enthusiastic, excited, energetic, cheerful, light-hearted and will laugh!

We also have our Stars of the Week, who have been classroom superstars and have showed a range of great qualities! Well done to all the children below.
